

There are some amazing and moving plaques located within the Church. Below is a list of the internal plaques at Christ Church. At the bottom of this page is a link should you wish to view an image or the inscription on a certain plaque.

*'Many of the inscriptions bear testimony to inestimable Christian service!' Andy*

To view a particular plaque please contact our vergers before visiting as many are inaccessible during general public access.

We do not hold historical records of births deaths, baptisms and weddings – should you wish information on these we suggest you start at Bancroft Road Library in Mile End, a Tower Hamlets library.
